

INVENTION UNIVERSE

— ✦ — BUILD IT YOURSELF — ✦ —

Imagine you could create the universe all over again.
Imagine no more. Add to our blank universe or explore what
others around you have created.

INVENTION UNIVERSE

We're looking for a few intelligent life forms, smart ladies and hairy chested men to help us evolve a far out universe where art, nature and technology live in harmony. Many planets are barren and waiting for eager builders to bring them to life.

If you have the right stuff, we want you!"
